British  
Wildlife  
Centre

## *Adopt an animal at the British Wildlife Centre*

If you are looking for an unusual present or would like to support the Centre, you can contribute by 'adopting' one of our animals.

Animal adoption raises valuable funds to help feed and care for all our animals and provides you with a closer association with the Centre and our wildlife.

# *Animal Adoption*

Our animal adoptions scheme offers you the chance to feel closer to some of our animals and make an even greater contribution to their care and welfare.

It also provides valuable additional funds to help achieve our objectives of conserving Britain's wildlife through habitat conservation, captive breeding and release programmes, whilst offering everyone the chance to see and learn more about Britain's wonderful wildlife.

Animal adoption runs for 12 months and your adoption package includes:

- Certificate of Adoption
- Newsletter (3 issues)
- Animal Fact Sheet
- One Free Admission Ticket
- Animal Photo

Your name will be displayed on the adoption board and the animals will even send a card on your birthday!

The cost is £30 to £40 depending on the animal chosen.

*So, for an unusual and educational gift for a friend, relative or just a treat for yourself, choose your favourite animal and send us your adoption application right away!*
