Adopt an animal at the British Wildlife Centre

If you are looking for an unusual present or would like to feel part of the Centre, you can contribute by 'adopting' one of our animals.

Animal adoption raises funds to help feed and care for all our animals and gives you the opportunity to feel that little bit closer to our wildlife.

Conservation through education

Animal Adoptions

Our animal adoptions scheme offers you the chance to feel closer to some of our animals and make an even greater contribution to their care and welfare.

It also provides valuable additional funds to help achieve our objectives of conserving Britain's wildlife through habitat conservation, captive breeding and release programmes and offering everyone the chance to see and learn more about Britain's wonderful wildlife.
