Private Group Visits to the BWC

Outside of normal public opening times, we host exclusive visits for groups. You will have access to the whole Centre and your visit will include an introductory talk with complimentary tea and coffee and a personalised guided tour from our Keepers.

This is an excellent opportunity to see and learn about over forty different British wild animals and birds, in large, natural enclosures in an attractive countryside setting. We will not be open to the public when you come, so the entire Centre will be yours for the duration of your visit. Our staff will be available to help you and answer any questions you have.

Exclusive group visits can be booked on week-day afternoons when we are closed to the public (this means outside main school holiday periods), and on winter weekends as available. A visit usually takes 2½ hours and starts at 2.30pm for an afternoon. Times may be flexible, so do get in touch!

We can provide catering if required, but this will need to be arranged in advance. Our Gift Shop will be available if you want to take the opportunity to buy a few gifts or mementos.

Group visits are for a minimum of 20 people and cost £12 each, including guided tour and tea and coffee. Dates in the summer months are especially popular, so do book ahead. Most animals can, however, be seen at any time of the year, so do consider the autumn and winter months when you book.

We look forward to hearing from you!
